

ALL ABOUT Prosperity Kids™

Prosperity Kids is a collective impact, dual generation program that helps parents and kids improve their current and long term economic security.

Here's what makes Prosperity Kids unique among CSA Programs.

- **54% of families enrolled in the program save money for college**
- **23% of families started emergency savings accounts**
- **Highest family savings rate in the nation when compared with other CSA programs**

- **Open Child Savings Accounts (CSAs)**
- **Visit a local financial institution to build relationships**

- **Opportunity to open emergency savings accounts tied to a secure line of credit**
- **12 weeks child development, leadership and financial capability education**
